# About Conference

Scitechseries proudly presents the esteemed the 4<sup>th</sup> **International Conference on Innovations and Advances in Cancer Research and Treatment - Cancer 2026**, scheduled in **Tokyo, Japan** during **October 08-09, 2026**.

This conference will explore on the theme “**Empowering Global Collaboration in Cancer Care.**”

**Cancer 2026** ignites breakthroughs and ignites collaborations, uniting pioneers across disciplines. From researchers and oncologists to geneticists and engineers, the conference tackles critical challenges in cancer research and treatment, aligning with the global fight for a cure. Cutting-edge therapies, precision medicine advancements, and innovative technologies will be explored, paving the way for comprehensive solutions against this complex disease.

This international gathering features impactful Keynote presentations, insightful Oral sessions, interactive Poster exhibitions, and dynamic panel discussions across over twenty thematic tracks. Renowned experts will unveil their latest discoveries, sparking debates, fostering collaborations, and propelling the field towards a future free from cancer.

#### Conference Proceedings Publication Notice:

The proceedings of the 4th International Conference on Innovations and Advances in Cancer Research and Treatment will be published in the **Archives in Oncology Research (e-ISSN: 3068-5273)**, with a DOI assignment. This ensures that all accepted work is formally documented, peer-reviewed, and indexed in a respected international journal—enhancing visibility, credibility, and academic recognition. Be a part of the revolution at Cancer 2026!

# GLIMPSES OF PAST EVENTS

# OUR TESTIMONIALS

**“ Connie Rogers, Institute of Integrative Nutrition, USA**  
Thank you for inviting me to join your event. I enjoyed being part of your team of professionals! There needs to be more group conferences like yours showing the world how to remain healthy and remove those things that can be harmful. \*\*\*\*\* Five star!

**“ Sofica C Bistriceanu, Academic Medical Unit, Romania**  
I am grateful for the opportunity to broaden my knowledge by listening to the data shared by famous physicians and nurses with decades of experience and beginners in this field worldwide. Various topics and presentation styles made it memorable, and I am eager to add other new reflective data..

**“ Vladimir Gorchakov, Novosibirsk State University, Russia**  
I want to congratulate all conferees for big achievements in food science. The conference showed the relevance. Organizers of a conference deserve separate gratitude. Work of a conference took place according to the schedule. The indication of local time in the program for conferees is positively apprehended. All reports are synchronized on time. Reports were very informative and gave a lot of useful information.

**“ Andrey Pavlychev, St. Petersburg State University, Russia**

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

**“ Angela Allen, NC State University, USA**  
The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

**“ Weihong He, Sichuan University, China**  
The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

**“ Ernesto Magallon Neri, University of Barcelona, Spain**  
Thank you for all the attention received from all members of the congress!

**“ Anita Rakic, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia**

I really thankful for the opportunity to attend the conference. It was a great success.

**“ Koichi Shimizu, Waseda University, Japan**

It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

**“ Sadeq Damrah, Australian University, Kuwait**

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

**“ Shirin Cantillon, Warwick Medical School, UK**

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

**“ American University of Kurdistan, Aree Saeed Mustafa, Iraq**

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

**“ Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India**

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.
